

Call for papers

9th BdF-BoE-BdI International Macroeconomics Workshop:

“MACROECONOMIC POLICY IN OPEN ECONOMIES”

1 December 2023, London

Banca d'Italia, the Bank of England and Banque de France are jointly organizing the 9th edition of their International Macroeconomics Workshop on 1 December 2023. The **keynote address will be given by Sebnem Kalemli Ozcan** (University of Maryland). The workshop will take place in London at the Bank of England and will be held in-person.

We invite theoretical and empirical research covering the following topics:

- a. International macro dynamics with heterogeneous firms
 - i. Macroeconomic implications of trade frictions and protectionism
 - ii. Mark-ups and global inflation
 - iii. Market structure and pass-through of shocks to the domestic economy
 - iv. Firm responses to global inflationary shocks and monetary policy responses
- b. International spillovers from domestic shocks
 - i. Financial market dysfunction and international spillovers
 - ii. Monetary policy normalisation and policy trade-offs
 - iii. The role of NBFIs in the international transmission of shocks
 - iv. Cross-border implications of fiscal policy shocks
 - v. Global funding markets and liquidity strains
 - vi. Exchange rate fluctuations and macroeconomic adjustment

The **deadline for submitting a paper is September 15, 2023**. Please submit full papers via [this form](#). Authors of selected papers will be contacted by September 30.

Organizers:

Ambrogio Cesa-Bianchi (BoE)

Aydan Dogan (BoE)

Julia Schmidt (BdF)

Fabrizio Venditti (BdI)
