**Notes:**

- Unless otherwise indicated, data relate to non-seasonally adjusted statistics. In addition to the developments for January 2019, this press release incorporates minor revisions to the data for previous periods. The annual growth rates are based on financial transactions that occur when an institutional unit incurs or redeems liabilities, they are not affected by the impact of any other changes which do not arise from transactions.
- Hyperlinks in the main body of the press release and in annex tables lead to data that may change with subsequent releases as a result of revisions. Figures shown in annex tables are a snapshot of the data as at the time of the current release.
- The next press release on euro area securities issues will be published on 10 April 2019.
